Hey tomorrow, where are you goin'
Do you have some room for me
'Cause night is fallin' and the dawn is callin'
I'll have a new day if she'll have me

Jim Croce

On a romantic June evening, those who arrived for the Junior-Senior Prom found their old school cafeteria transformed into a glamorous Las Vegas Casino. Spinning roulette wheel, laughter, Black Jack and crap tables all added to the glittering atmosphere of the evening. Another prom to remember had begun.

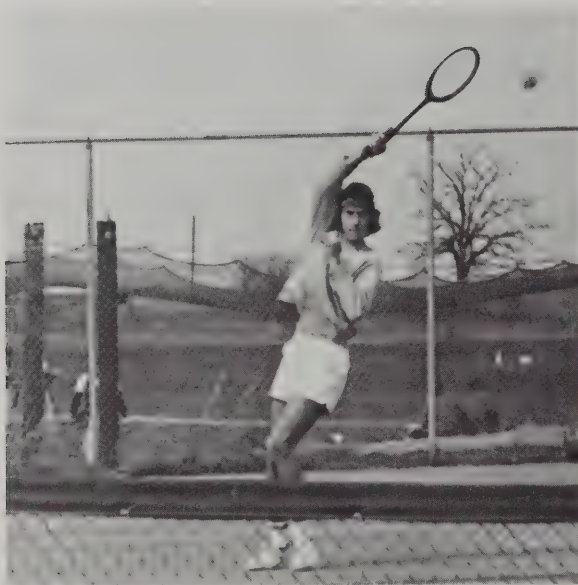

The one time of the year when the girls get to ask their favorite guy to a dance and turn the tables on the age old law of the sexes. Parson Larson perform the marriages and Lil' Abner and Daisy Mae were crowned King and Queen of the Dogpatch . . .

Twenty Miles For A Needy Cause . . .

When you stop to think about it, twenty miles walking isn't really that far, but when you are on your eleventh mile with nine more to go, it seems like you are never going to make it.

Starting out from Dogwood Elementary in Reston, making a circle that included going through Hunter's Woods and into Herndon, then back into Reston by the long way, and finally ending up back at Dogwood to rest your tired feet and aching bones. In the end, a sense of fulfillment filled all who completed the Walk for Mankind.

"Fiddler on the Roof"

The most successful and widely acclaimed Spring musical that Herndon High School has ever produced was the presentation of Joseph Steins' "Fiddler on the Roof".

The story of Tevye, a poor Russian milkman in the tiny village of Anatevka, and the problems that he has with his five daughters.

Each year at **Herndon High**
is a kaleidoscope of memories;
things we wish we could change,
things we hope never to forget.
For each of us the memories are different,
but for each of us there ARE memories.
This, then, is a reflection
of those times
now past.

Looking back and

Remembering:
crowded school halls . . .

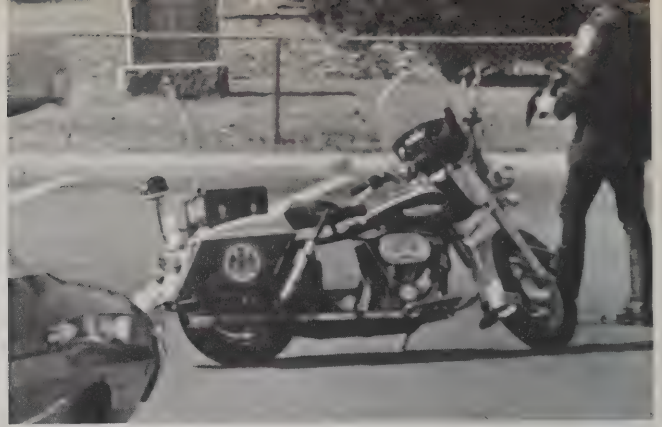

anxiety as our team
almost wins . . . or almost loses . . .

Sharing:
our time for school activities . . .
hours in a classroom —
sometimes stimulating,
sometimes boring.

Remembering the not-so-good times
as we found ourselves embroiled in a
heated impeachment trial
as student disturbances took place
when report cards came out and we vowed that
we'd really work next quarter.

The good times —
when we are with someone we care about
always knowing that we have a friend.

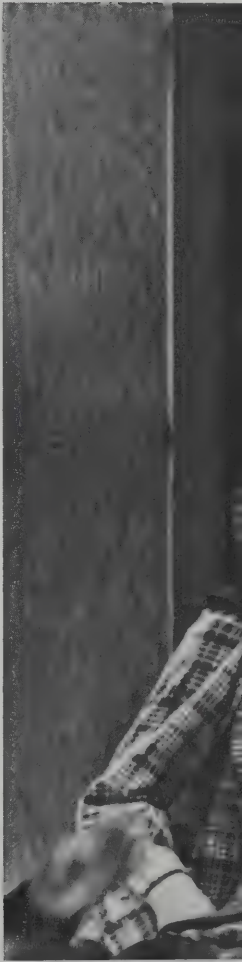

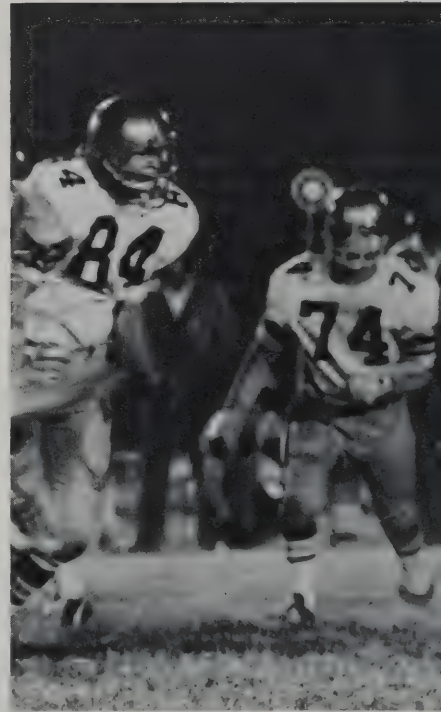

but especially the people
for it's the people who make Herndon,
change Herndon,
and make this place something special
a wide variety of people, so different,
yet sharing so much, has determined
what this year has been.

Looking back and reflecting on

a year not unlike years past
but unique because it is ours

a collection of memories

important because it's worth remembering

the styles that represent this year

concerning the events, the time . . . our time

Teddy Bear, (c. 1907; after Teddy, Nickname for Theodore, with reference to Theodore Roosevelt), a child's toy somewhat resembling a small stuffed bear.

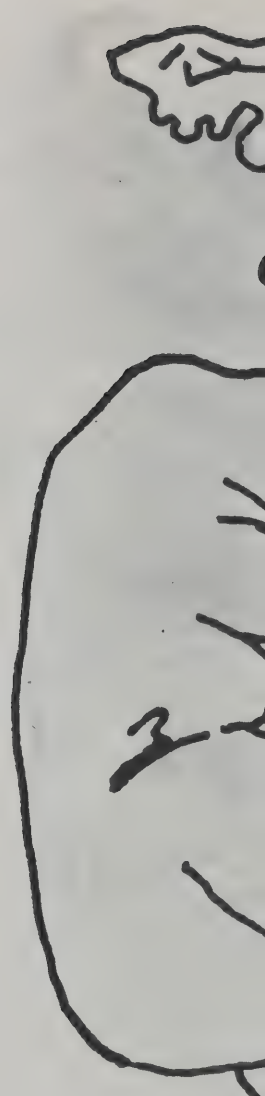

No matter what kind of a year
it has been for each of us,
we know that it is all
part of a
greater plan.

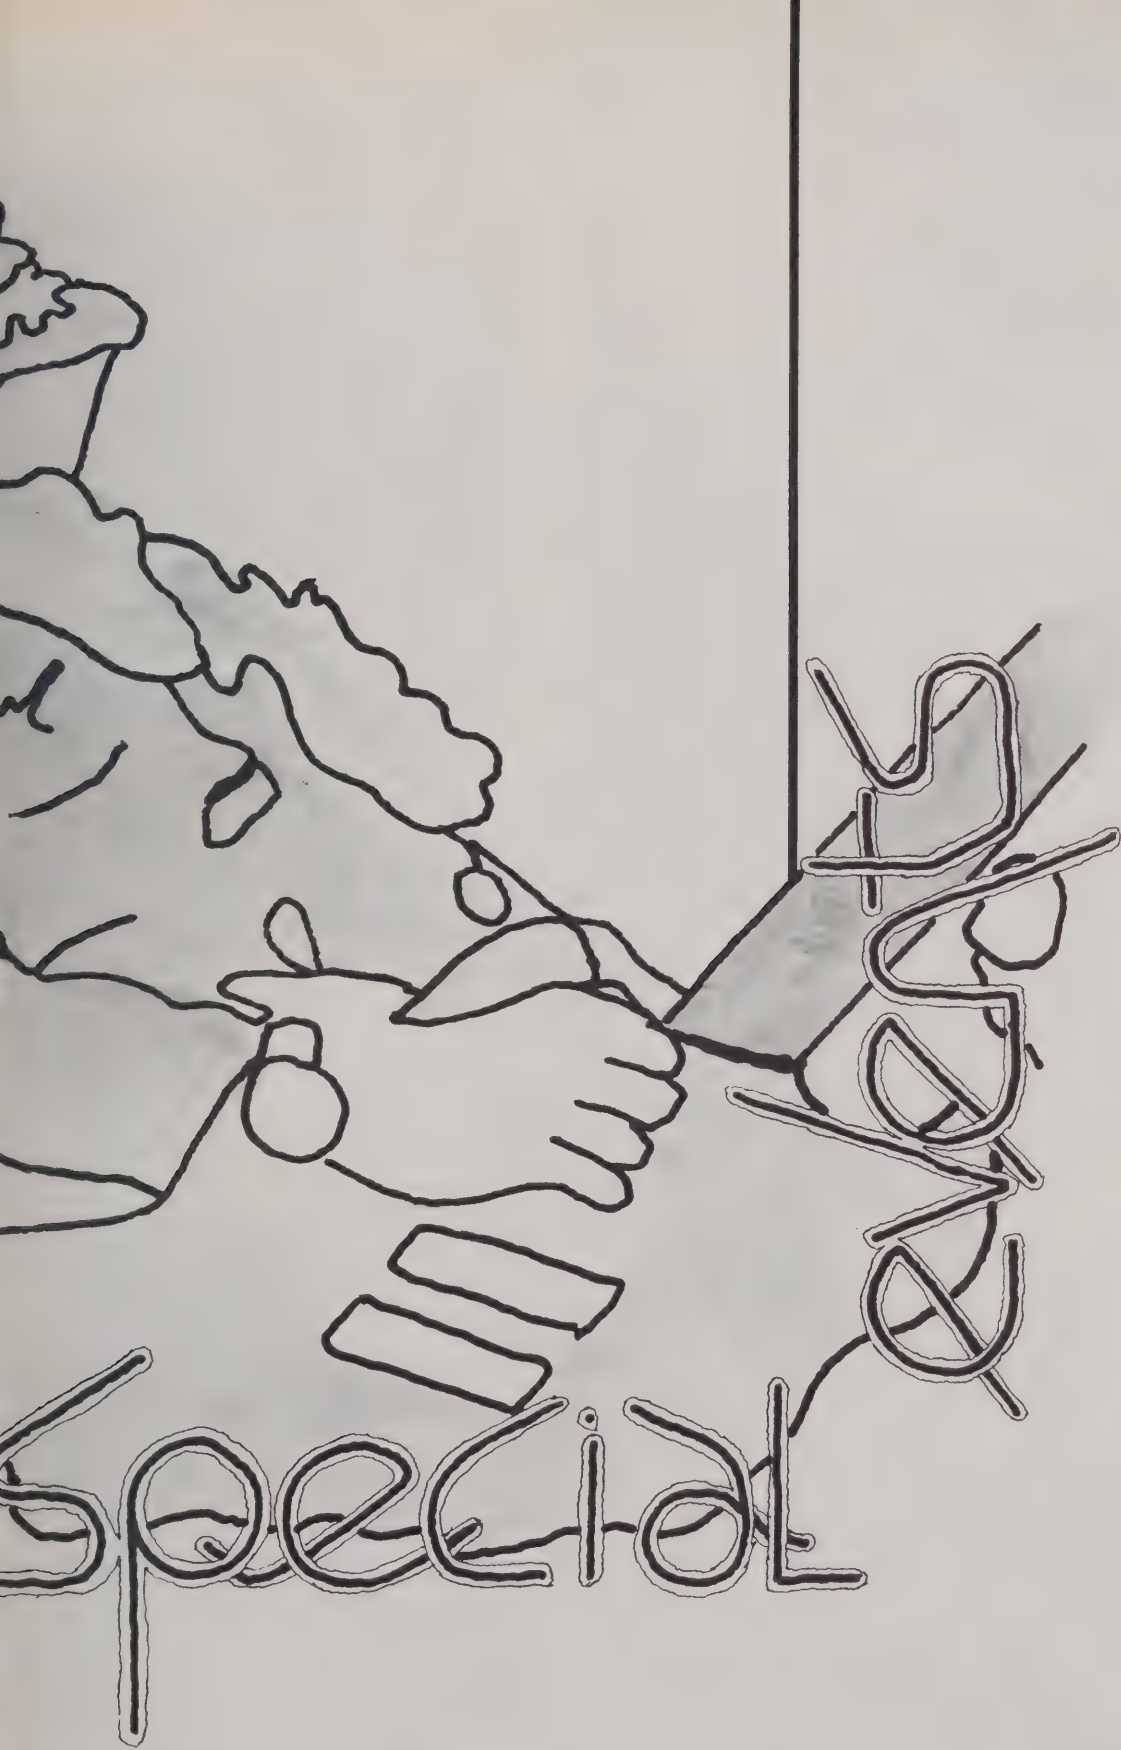

"Man is equal to man and you have but to look into yourself
to see others."

Thomas Hobbes

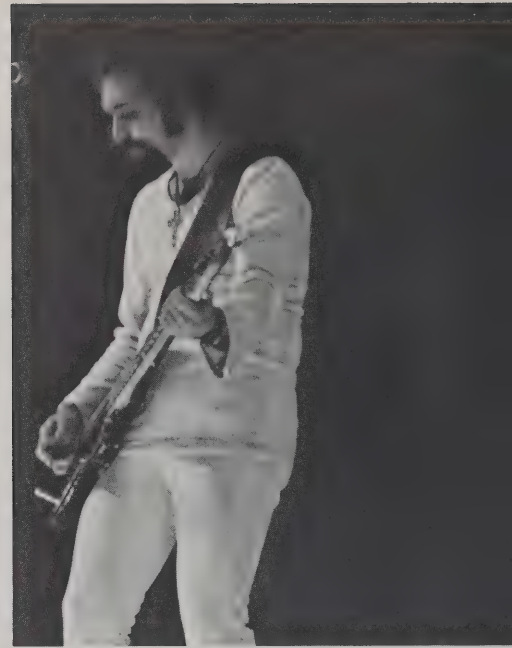

MIKE SWARTZBECK "75"

First Gear In Concert

The First Gear, here for an after school concert, once again proved to be a well enjoyed band. They play a wide variety of songs to please everyone's taste.

Senior
Talent
Show

“Heavier Than Air”

The auditorium was filled with silence and only a hint of noise escaping from backstage.

Finally, after weeks of rehearsing, the curtain was going up. The hard work, sweat, and tears were all forgotten. The emergencies, close calls, and narrow escapes were far behind. Time passed by as slowly as years and as quickly as seconds.

The applause was heart-warming. Backstage, excitement ran rampant. “They liked it!”

Heavier Than Air, the play by the Drama Department under the leadership of Mr. Martin, was a success.

1974-75 Homecoming queen

Homecoming 1974

The coronation of the queen, Meg Kaufman, highlighted the halftime events on October 5th, Herndon's Homecoming. The entire court included Leslie Gwynn, Maid of Honor, Conchita Wooden and Denise Forbes, Senior Princesses, Becky Hanks, Junior Princess, Allison Dadeboncoeur, Sophomore Princess, and Angela Kent, Freshman Princess escorted by Chris Bodker, Mike Banham, Pete Evans, Greg Weakly, Chris Fitzgerald, and Eric Wallace, respectively. The queen was escorted by Greg Krikorian.

Fashion Merchandising

Fashion Merchandising has become an increasingly popular class. Through this class the students study and report on the history of fashion plus learn of the fashions that are sweeping through Europe before they get to the United States. They learn about the famous designers and in the spring the Fashion Merchandising Classes spend approximately five days in New York City visiting couture designers, talking to each of them and seeing many of their collections.

Along with all of this, the classes get together and put on a fashion show, modeling clothes from local stores. It's a challenge for the students to choreograph, write the narration, and put the entire show on themselves with help from their teacher, Miss Haskett.

Football

Compliments of A. M. Brown

VARSITY FOOTBALL

The football season started at Staunton Military Academy for a week of hard labor in the hot summer sun. The coaches yelled, pushed, and kicked to get the Hornets ready for the season ahead. And what was the reward for all of the long hours of sweat and toil? The reward of having our best season in several years and maintaining school spirit.

Herridon's season record turned out to be five wins and five losses. The head coach Mr. Ashwell and his assistants, Mr. Furr, Mr. Lee, Mr. Coughlan, and Larry Money showed strict but good leadership to the team.

The Hornets displayed a balanced air and ground attack and a very strong defense leading the team to victories over Washington and Lee, Madison, McLean, Fort Hunt, and Langley. The final standing in the league was fourth place.

This year's football team showed the area that Herndon is for real and for that reason this school is very proud of them. We look forward to another great season next year.

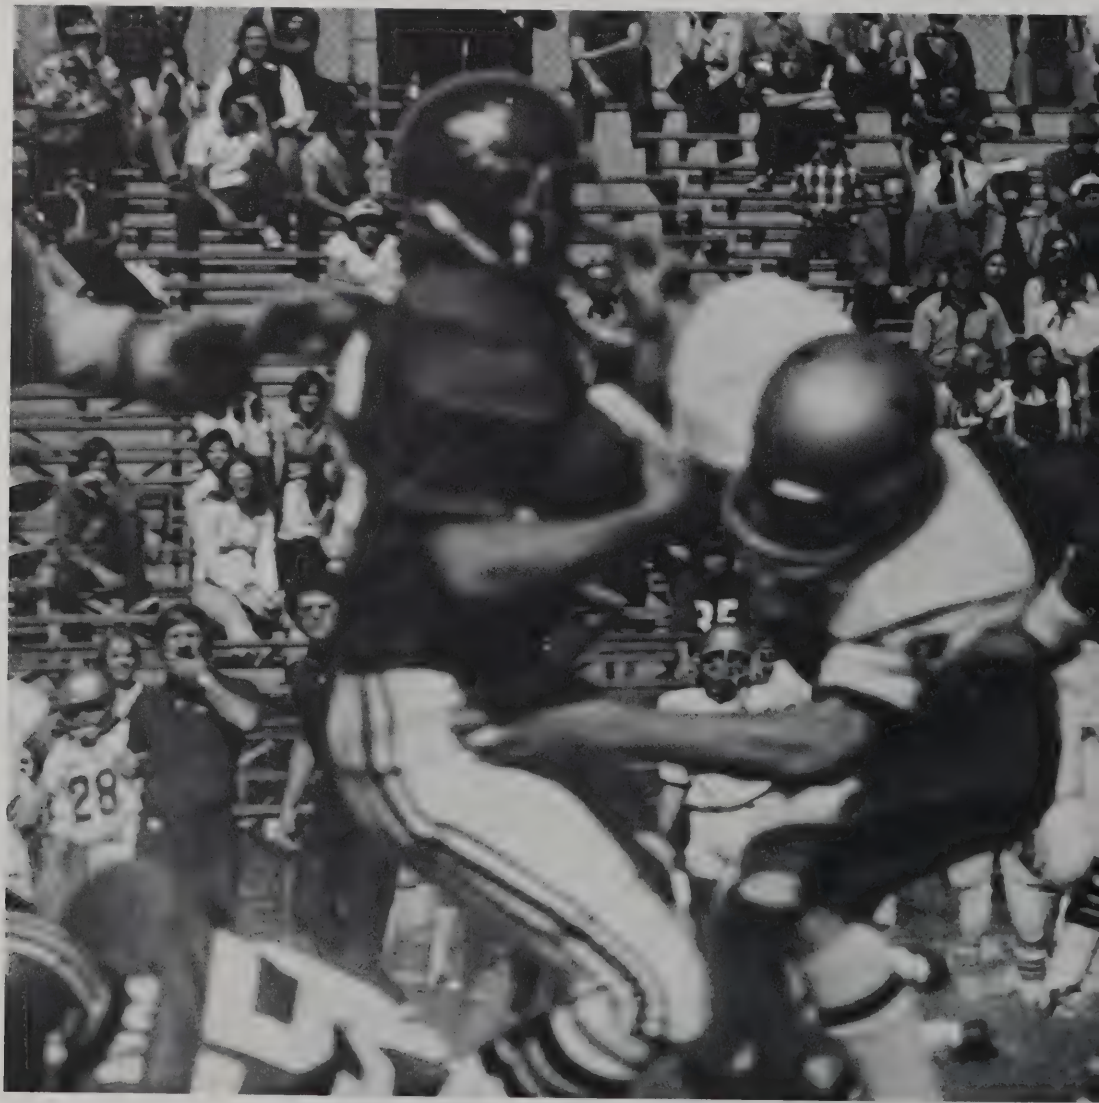

It was a satisfying way to end successful coaching career for Mr. Ashwell.

FRESHMAN FOOTBALL

The freshman team showed as much determination as the J. V. team. They closed their season with two wins, two ties, and one loss. The team showed a powerful offense and a rugged defense. It appears they will provide a strong backbone for the J.V. team next year.

JUNIOR VARSITY FOOTBALL

The J. V. football team came out with a fairly even season of three wins, four losses, and one tie. The team exhibited fine group work and should contribute much in future years to Herndon's football power.

Under the leadership of Mr. Lee and Mr. Furr, the team showed a lot of spirit and determination — the key factor to a winning team.

The Rifle Team

This being only their 2nd year as a varsity sport, the rifle team is growing in members as well as advancing as a team. The Rifle Team is also a school club. Through this club the students are taught the responsibility of handling firearms safely. It not only builds marksmanship, but also discipline, character, and sportsmanship. The team participates actively in matches against other area high schools. The members may qualify to earn NRA marksmanship awards as well as a Varsity letter.

Coach Larson

The soccer team had a disappointing season closing with two wins and twelve losses. Despite the team's losses, the guys showed a lot of enthusiasm in their sport. Four of the soccer members made All-Northern-Virginia High School Soccer Team for 1974.*

Like the Varsity, the J.V. team showed a lot of zeal. They played well and exhibited promises of having a strong team next year.

Tennis

Increased interest in the tennis team was very significant during the season. The girls participated in a few weeks of conditioning and challenges before their nine-meet season began.

Through long hours of practice and individual instruction from Miss Lohse, the coach, the girls advanced very well. The members learned the importance of playing the best game possible by analyzing their strokes, conserving their energy, and aiming for perfection.

two points
man-to-man speed, skill, strength
State
team points
decision
defeat
the glory of a pin

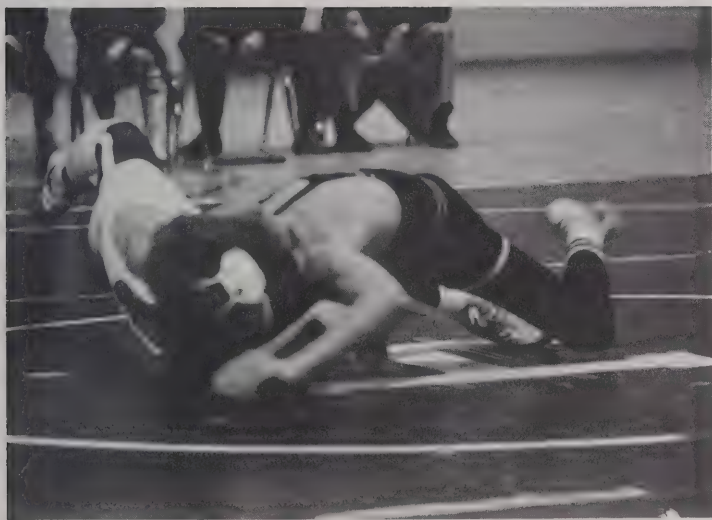

Much promise and great determination came from each of the wrestlers, this year. Coach Glenn, assisted by Coach Whitman, strove to help the wrestlers perfect the basic fundamentals of wrestling and to develop high team morale. Emphasis on individual success was an important factor in the overall team improvement throughout the season.

With some help from the Varsity wrestlers, many of the new J.V. wrestlers were able to show assurance and desire to put up a hard fight out on the mat. Even with a large number of newcomers to the team the wrestlers gave the appearance of a polished and experienced unit.

The most important thought in a wrestler's mind is to win, and Coach Glenn had his team thinking about winning every time they stepped onto the mat.

Brett Evans, Brian Gleason, Payton DeHart, Steve Dannanberg, Jim Ishee, Chris Cole, Mike Elias, Asst. Coach John Whittman, Jimmy Graves, Dave Bechtelheimer, Randy Langmead, Roger Brown, Paul Reagen, Cass Harris, Head Coach Bob Glenn.

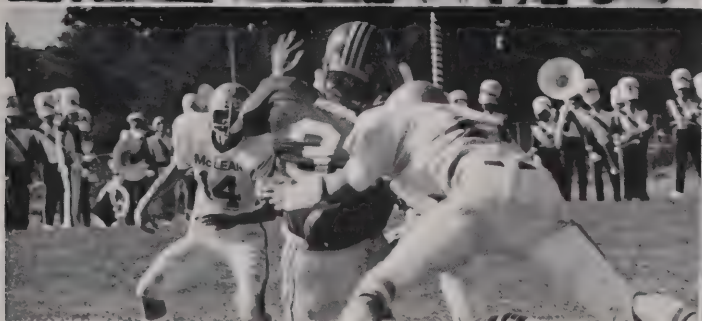

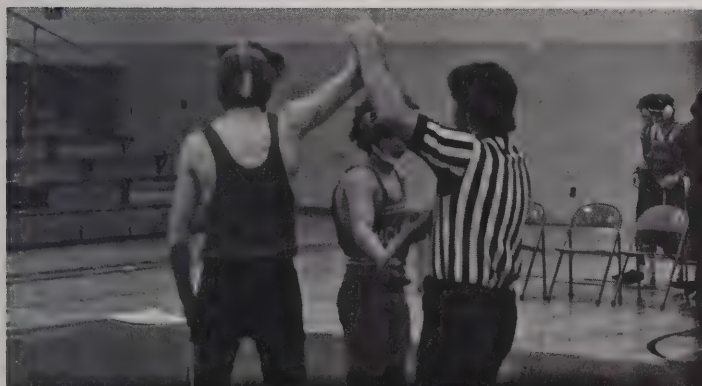

Cross Country

It took a lot of determination to be on the Cross Country Team. Mr. Zuraw, the coach, would have them running three to four miles a day. "We would run so long at times that our legs felt like rubber, but we knew that practice was what we needed."

The main goals of the team were to develop their running ability and character. Achievements in character development included increased individuality, a sportsmanlike attitude, and an enthusiastic team effort. These various achievements aided the team immensely.

BACK ROW: Brian McCoy, Chris Hartley, Bob Carrington, Stephen Miller. FRONT ROW: Rod Beard, Larry Houck, Clyde Gant, Allen Male, Paul Weiss.

JUNIOR VARSITY BASKETBALL

The J. V. Basketball team, behind Coach Dick Dauphin, rolled through the season and finished with a 13-5 record. The Hornets rolled into the District Playoffs, behind a sticky defense and strong rebounding.

Coach Dauphin stressed defense on all his players. The result was in forcing opponents into bad shots, then Herndon collected the rebounds and started their fast break offense.

Freshman Basketball

This year's freshman basketball team finished with 10 wins and only 2 losses to tie them for first place in the Great Falls District.

The team outscored their opponents 513 to 445 on the way to one of Herndon's most successful seasons.

Girls Basketball

The Girls Basketball Team struggled hard to produce a good team. The girls worked well together but were unable to show their ability. They displayed determination and will at each game giving the other teams quite a challenge. Next year they are hoping to have a good team that shows as much perseverance as this years team did.

Distributive Ed

DISTRIBUTIVE EDUCATION at HERNDON HIGH SCHOOL

The Distributive Education program is that part of Vocational Education that is part-time in nature. This program represents the combination of classroom study and on-the-job training, each complementing the other. In the program, the students have their schedule arranged so they attend classes half of the school day and are employed in a retail or service capacity during the remaining part of the day. This program is a major step providing training for retail and service careers.

The Distributive Education program at Herndon High School has grown from eight students to the present one hundred seventy-five students. When D.E. first started at Herndon, only one class period was allotted for D.E. , now it has grown to nine class periods which include D.E. I, II, III, and Fashion Merchandising. The anticipated enrollment for the 1975-76 school year is two hundred fifty students. D.E. is on the move at Herndon High School.

During the 1974-75 school year the Herndon High School D.E. club has participated in several activities. The first major activity was the election of club officers; next the D.E. club held a parent-teacher night, in order to acquaint students parents with the overall D.E. program; next the Herndon D.E. Club participated in the D.E. District XIII Fall Rally; from this point the D.E. club has sponsored a school dance, several bake sales and a firewood sale project to raise money for the club; the D.E. Club has monthly dinners for members of the club. They will have an Employer-Employee Breakfast (to honor employers); and the D.E. District XIII Contest for competition between the ten scholar will be in February.

Drill Team

The girls on the Drill Team put a lot of "behind the scenes" work into their performances. They met everyday and worked on new routines which added a lot to spirit at Herndon. New this year was the sixth period class for Drill Team. The girls worked on the football field, practicing routines during the football season. They would combine their efforts with the Marching Band at every home game and they would meet once a week with the band to perfect the show. Their performances didn't end there, however, but were carried on through the basketball season with support from the sponsors, Mrs. Szymanski and Mr. Stevens.

A little known contest at Herndon is the Forensic Competition. It is a contest sponsored by the Virginia High School League in which any student can compete. There are five areas of competition: Prose Reading, Poetry Reading, Original Oratory, Extemporaneous Speaking, and Spelling. The winners of the Herndon contest went to district and took two first places, two second places, and one third. The sponsor for Forensics is Miss Bailey.

French Club

"Parlez-vous francaise?"

Whether they Parlez-vous francais or not, the French Club provided the members with a chance to be exposed to the local French culture and the opportunity to go places. Many of their plans included a Saturday trip to Geroetown to the French boutiques and a visit to a French restaurant. They provided a bakery shop on parents night and sold homemade pastries. With the money they made from bake sales as well as the money from their bakery shop, the French club made plans for a trip to Canada with an open invitation to all the French classes at Herndon.

French Honor Society

Students have become members of this society by excelling in their ability to comprehend the French language. As members of the society, each person is expected to participate actively in such affairs as fund raising and managing inductions. We offer to the members trips to French restaurants, picnics, and other outings which interest them.

Future Farmers Of America

MEMBERS: FRONT ROW left to right: Kim Cockerill, Michele Manion, Terry Edney, Brenda Lynch, Jon Berke BACK ROW left to right: Mr. Beam, Sam Turner, Joubirt, Randall Reoh

The Future Farmers of America is a club for all students who take courses dealing with vocational agriculture. Future Farmers is a nationwide club involving all fifty states and Puerto Rico.

The Herndon Chapter of the FFA has done very well in the contests that are put on through the FFA. In 1973, the Herndon Chapters Horticulture team won state honors and represented the state of Virginia at the National convention, since there was not a National contest for Horticulture they could not compete for National honors. In 1974, the Herndon Chapter of FFA organized a poultry team, that won state honors in poultry and represented Virginia at the National Convention in Kansas City, this time competing and placing thirteenth in the country and receiving a silver rating. This year Herndon is forming another Horticulture team hoping to represent Virginia at the National Convention for the 3rd time in a row.

German Club

It has been said that to learn a language well, one must live with that language. The German Club found this to be true when they visited the Potomac German School in Washington D.C. They were invited to attend a field day, participating in activities such as the all-popular fussball, or soccer. The members of the club were able to talk to the German students, asking them any questions they wanted answered and just have an all around fun day.

Each month the club planned an outing that enhanced the members outlook on the German culture. They got together and prepared a German buffet dinner and went to a German restaurant to indulge in some real German food. Each year they take a hike up to Old Rag in the Shenandoah Mountains, roughing it, and getting to know each other better. The club also visited the German Embassy, which is a yearly trip. They viewed a wide variety of films, adding to their experiences.

Girls Athletic Association

The Girls Athletic Association supports the girl athletes by providing uniforms, equipment, officials, and transportation. Sometimes they have after school and night activities such as volleyball and bowling. One way they raise money is through bake sales. In March they have the annual Powderpuff Football game. They would like to soon organize some kind of charity game.

International Relations Club

The International Relations Club (I.R.S.) prepares with research to meet with students from all over the United States, Puerto Rico, and Canada to consider resolutions solving major world problems. Differences are discussed in debates that are open, frank, and colorful. Students learn through parliamentary procedure to control expression. They role-play to reflect the diplomatic stances for the country, whose representatives they are portraying. It is a constantly exciting experience, and it broadens one's knowledge considerably. There are two major model United Nations which Herndon attends, they are the North American Invitational Model U.N. and the Fairfax Model U.N.

It's Academic

It's Academic is now in its 14th Washington season as a high school television quiz. Each year 81 area high schools are invited to participate; they are selected from a pool of more than 120 secondary schools.

On taping days, the television studio takes on the air of an athletic contest, as pep bands for their teams and cheerleaders call for victory. Studio audiences usually number 150 persons; tickets are distributed through the school.

The It's Academic team 1974-75 of Herndon played two games: lost one — won one. The first game was against Northwood and Treton; the second game was against Langley and Holton Arms.

The team this year was Steve Ward (captain), Gilad Gordan, and Ruth Polishuk. The alternates were April Alliston, Phil Ralph, and Beth Robinson. Miss Duke sponsored Herndon's team.

NATIONAL JUNIOR HONOR SOCIETY

The National Junior Honor Society is a service organization. It is a group of people who wish to work together to improve the community and the school. They have a common interest in helping those who need it: underprivileged families, physically handicapped persons, senior citizens, and young children. They proposed activities such as a clean-o-rama, kite flying contest, and a play-day for special education students at Herndon Elementary.

Keyette Club

The Keyette International Club is an organization created for the purpose of serving the school and the community. In service to the school the Keyette Club has sponsored both the football homecoming dance and the Valentine's Day dance, teacher's week, and other such activities to promote school spirit. In the community the club has worked in nursing homes and with the Professional Business Woman's Club. The club was actively involved with the school and was constantly coming up with new ideas to benefit Herndon High.

Latin Club

"Veni, Vidi, Vici!"

(I came, I saw, I conquered.)

Herndon's Latin Club celebrates the founding of Rome every April. They visited the Italian Embassy in Washington to observe the culture of Italy. They went to the Supreme Court to note the laws of this country, many written in Latin terms, and also to see the Roman drawings and inscriptions on the columns. They took a trip to Roanoke for a Junior Classical League meeting of Virginia. Members of the Latin Club also were able to attend the musical "The Odyssey" at the Kennedy Center in January.

Latin National Honor Society

The Latin Honor Society is an organization of students who have excelled in the classical Language, Latin. The requirements for members are an "A" average for 3 semesters, an interest in Latin, and impeccable character (or almost). On February 3, seventeen new members were inducted.

Our many activities this year include the promotion of Latin, help in the up keep of the Latin Court, assistance in celebrating various historical days, id est, "Veni Vida Vici" day and the Ides of March, not to mention the annual trip to New York City in the spring.

Majorettes

The majorettes are an important addition to Herndon. They put a lot of time and effort into their work which was evident in their halftime performances. The girls practice everyday during 6th period, after school, and they often came back at night. Besides performing during football and basketball halftimes, they were in open competitions with surrounding area schools. This year, they placed second in state. The girls joined the band on their trip in the spring.

Pep Club

School spirit and enthusiasm — this is what Pep Club stands for. The club worked hard all year getting ready for the hassles of Basketball Homecoming — ending with great success — promoting the idea of the car caravans to the games, a Spirit Week, and a Christmas mini spirit stick sale. They were always thinking up new ideas that would get the students involved and proud — a part of Hern- don's spirit.

Quill And Scroll

Quill and Scroll is an honorary international society for student journalists. Selection is based on superior achievement in any area of publications — Members may be elected in the tenth grade, but are usually chosen after several years of experience, often on the staff of more than one publication. Business personnel, artists, photographers are all eligible, as well as writers and editorial staff members.

At Herndon, the Quill and Scroll Society is a purely honorary organization and does not function as a club.

CLUB ORIENTATION: The primary purpose of the HHS Science Club is as follows — to stimulate and foster the growth of its members, the school's, and the public's interest in the scientific community and its proceedings, and to participate actively in those matters directly relating to fostering those same interests.

ACCOMPLISHMENTS: Although stymied for some years by student apathy, communications difficulties, and leadership problems, the Science Club has, is, and will be supporting — in the '74/'75 school year — the following activities: A series of guest speakers from neighboring colleges and universities, speakers bureaus, and the public at large intended to relate to topics of concern in the membership . . . various fund-raising drives . . . a club bulletin board to keep members informed of events (an alternative to announcements, which is seemingly more effective) . . . a school science aptitude testing program . . . participation in the regional science fair . . . science workshops for individual and group projects . . . and club outings to points of interest in the immediate area.

MEMBERSHIP: Although a small membership is one problem now facing the club, it is gratifying to note that membership has INCREASED in the 2nd semester at HHS.

Ski Club

The Ski Club has had a very successful year. The club had a very large body of 65 members. An average of 50 members actively participated on the trips. Some excursions that the club ventured in were 3 night trips to Massanutten ski area, a weekend trip in February up to Blue Knob, Pennsylvania, and a trip to Sugagbush, Vermont, which was the highlight of the entire season. The whole club would like to show their appreciation towards Mrs. Charlotte Peed and the officers for all the time they put into making the club get off the ground.

In the beginning of the year we set goals for ourselves. We feel we achieved these goals and hope next year will be even more rewarding.

Spanish Club

The goals of the Spanish Club are to further interest in the understanding of customs and language of Spanish speaking countries. Toward that goal, the club proposed field trips to museums and Spanish restaurants. The club also planned to entertain guest speakers and to sample Spanish food and drink during club meetings. Some of their activities included a dinner at Mosby's Dinner Theatre and a special Spanish Fiesta with a Flamenco Dancer demonstrating her skills.

The Stinger

Always there to cover the story when it happens, getting both sides of the argument, writing articles that are interesting to the readers; these are just a few of the many duties that keep the Stinger staff constantly busy. The staff works hard together to meet the newspaper's deadlines and when the finished product arrives in print, each person walks the halls distributing the Stinger for the nominal fee of only 15¢. The student body is brought up to date on the occurrences that have happened and the events that are to take place at Herndon High School.

A perfect Human Being

Seniors: Today the top,
Tomorrow the bottom.

A senior is worldly, a man who is known to all as a person. A person who has worked and strived for eleven years and deserves to be recognized for his achievements.

A senior is a time for decisions, a time for onward speculations, a time for marching into the responsibilities of adulthood.

A senior is 7-11's best customer on a Friday night.

A senior is proud, authoritative, happy and sad. It's that excited empty feeling you get when you first realize that you've been in school for twelve years and that you're finally going to make it. It's the proudness you find when you are a member of the senior class. And it's very important to all of us. There's no other class quite like this one. It's being able to answer each question with assurance from the underclassmen. But the most important part of being a senior is that you will be faced with one question, what are you going to do with your life? Will you be able to answer that? If so, then you are by far a ready senior, set for college and willing to accept the responsibilities. We should all be proud to be a member of the senior class, willing to put forth the effort to make it the best class ever.

Seniors

Norma J. Abel
Jennifer Alexander

Phillip Alitzer
Timothy W. Alvarez

William C. Arbelaez
Irving R. Armstrong

James G. Ashwell
Elizabeth Atkinson

Raymond Badmen
Charles W. Bagnol

Wade W. Alexander
Deborah A. Alfred

Chris K. Ansell
Matthew P. Antill

James D. Armstrong
Susan K. Arnold

After a year of repasting pages over and over, worrying about whether or not the pictures will ever turn out the right way, the agonies of realizing all the mistakes that have gone unnoticed until too late, the long hours spent on not just one, but every deadline, trying to get together "just eight more pages" and hoping against hope that everyone will like the book we worked so hard on.

We didn't do this book just for ourselves, we did it for the people that it reflects. It's hard to capture what this year at Herndon was like; for every individual it was different. But we hope that in trying to express the life and moods of the school, we've captured something of your life. There's nothing left for us to do but watch your reactions and hope they are good.

The 75 Hornet staff wishes to say, "It was fun while it lasted, but thank goodness it's over." Until next year.

The Hornet Staff

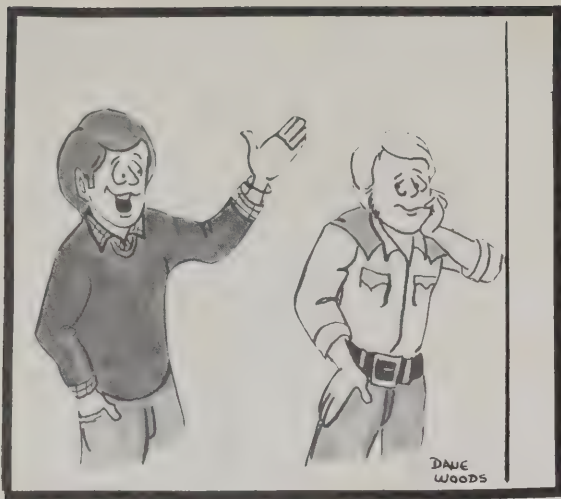

PHOTO EDITOR JOHN MINTON

Closing

Notes

Hey man! Don't let the under-classmen get ya down. Just remember as seniors we're BIG BUDWEISER'S and they're just a bunch of Little SCHLITZ'S!!

Senior Pictures
were taken and
Processed by
Delma Studios.
